We have a 1 bedroom unit for sale in the co-op of Morningside Estates Hartley. This is a 55+ community with all of the amenities to make you feel right at home. There is a community room where you can find unit owners enjoying a cup of coffee while playing cards, or a board game. Snacks and good conversations are shared here. This quiet and cozy building allows you to have meals delivered to you if you so desire, and your mailbox is indoors, so no need to trudge through the elements to get your mail! This private one bedroom unit comes complete with your own washer and dryer, stove/oven, refrigerator, dishwasher, and you have control of your own temperature settings in your unit. Do you have family or friends that want to come visit? Great! There is a very nice guest room right next door to Unit 102 that you have access to for your guests. It has most all of the great amenities that a nice hotel room would have.
